[Paragon 700 Boutique Hotel & Spa](#), an elegantly restored red palace in the heart of Puglia's White City, Ostuni, is set to open in February 2020. It will be the only Red Palace in the heart of the city. This quintessentially Puglian property is being meticulously restored to boast 11 individually curated rooms with a cosmopolitan soul. In contrast to the whitewashed buildings of Ostuni, Paragon 700's red brick façade cocoons a lush garden and swimming pool, a rare green space in the heart of the city, offering a tranquil and exclusive oasis just five-minutes from Ostuni's main square. *Nightly rates from €300* (www.paragon700.com)
