Puglia's most-anticipated new opening for 2020, Paragon 700 Boutique Hotel & Spa, is offering couples the chance to get married in ultimate style with exclusive takeovers of the elegantly restored red palace in the heart of Ostuni. With just 11 individually curated rooms and suites, Paragon 700 is ideal for couples looking for an intimate wedding with their nearest and dearest. Standing in stark contrast to the city's whitewashed buildings, the former palace's red brick façade cocoons a lush garden and swimming pool, offering a private and tranquil oasis, just a five-minute walk from Ostuni's main square. On the wedding day itself, enjoy a sumptuous gourmet menu designed by Michelin-starred chef Paulo Airaudó with creative cocktails served at the hotel's eclectic bar late into the night. The following day, restorative treatments at the private spa await or celebrate your first day as a married couple with a trip to the hotel's sister beach club, P-Beach, or a bespoke voyage on Paragon 700's private boat. *Exclusive buyouts start from €10,000 for two nights with a minimum F&B spend of €3,000 in low season.* www.paragon700.com/
